

Fitz Design Body Flower Design Contest

Fitz Design

It's easy! It's fun! And, you can win a FREE Education Only Registration to AIFD's 2013 National Symposium "Passion" in Las Vegas, June 28-July 2. A prize will be awarded in both the mens and ladies floral adornment categories. Visit the AIFD body flower desk in the lobby of Riverfront Hall and help support the AIFD Student Chapters, too.

Rules

- All personal body flowers need to feature at least one Fitz Design item. Other accessories may be incorporated to accent and complete the entry.
- Your floral creation can be made earlier and brought with you to Symposium to be finished on site or created from scratch in Miami.
- All entries must be photographed by the AIFD designated photographer prior to the Leadership Gala dinner. Our photographer will be located outside the Regency Ballroom (lower level Hyatt Hotel) from 6:15 - 7:30 p.m. Only officially photographed entries will be accepted in the contest.
- Fitz Design items are available at the AIFD Body Flower Desk (lobby Riverfront Hall) where your contributions help support AIFD's numerous student chapters.
- You will need to complete an entry form and present it to the AIFD photographer when having your picture taken.
- A panel of distinguished AIFD designers and Fitz Design representatives will review all entries. Ten entries in each category (male/female) will be selected and then put online for all AIFD members and Symposium registrants to vote for. A winner will be announced in early September.
- All photographs will become the property of AIFD and Fitz Design and may be used in future advertising campaigns at the discretion of Fitz Design.
