AIFD Foundation Design Experience
“Up Close and Personal with Johan Huisman”

Featuring Johan Huisman
The AIFD Foundation Design Experience is an Optional Registration. An Additional Fee is Required.

For years, the AIFD Foundation has been known for offering a Hands-On Workshop the day following AIFD National Symposium. To lead into the 50th Celebration of AIFD, the AIFD Foundation reached out to offer something new and exciting. The AIFD Foundation Design Experience, featuring the brilliance of Johan Huisman, is an educational experience with an “Up-Close-and-Personal” approach. As one of

Europe's leading floral artists, Johan will excite all who attend with his style and incredible knowledge. He will share the latest in European floral trends and techniques. Plan now to register today for the complete experience.

The morning session scheduled from 9:00 AM to 11:30 AM will feature a unique approach to the hand-tied bouquet. This hottest of trends is stronger than ever before. Johan will demonstrate the European techniques and design elements that set his exquisite bouquets apart from the rest. With the knowledge shared as a part of this experience, you will impress your customers and watch profits soar.

Lunch will be on your own giving you time shared with friends before returning to the afternoon session.

The afternoon session is not to be missed! From 1:00 PM – 3:00 PM experience up close and personal education from Johan Huisman. He will demonstrate and carefully explain the latest design styles that are currently being sold on the European markets as well as the techniques that enable the style. Time has been set aside for questions to insure a true understanding of the concepts behind his creative floral designs. This AIFD Foundation Design Experience is an incredible opportunity to expand your floral knowledge while helping to support the AIFD Foundation.

Registration is \$125.00 for a full day of incredible knowledge or you can register for either single session for \$85.00. *Please see the AIFD Registration Form to register for this and all AIFD Symposium Events. Limited Registration accepted for this design experience.*
