Do you/ this team have previous experience working with AIFD or an AIFD Designer? Yes / No  
Describe your experiences (Local, State, National):

What experience does this team have working with/ designing flowers outside of the classroom/ school setting?

How has participation with/in the floriculture industry positively impacted your agriculture education program?

What do you and the students hope to gain by attending the 2020 AIFD National Symposium?

As an instructor, how will you use what you learn at the Symposium in your classroom to benefit future students?

Provide any additional information you think would be relevant for the selection committee to know about your team as it relates to the Floriculture industry.
