Help us get to know you. This has no influence on you being able to register for the 2022 "ROOTS" Ambassador team, we just want to better understand why you wish to participate. Please provide your Floral Background and any AIFD® Symposium Experience you may have. For example: 1) I'm an experienced designer I've been to Symposium many times, OR 2) I've been doing this for a few years I've attended two or fewer Symposia, OR 3) I'm new to the industry and this would be my first Symposium.

Have you volunteered during an AIFD® Symposium before? Yes No

Knowing that you will be asked to do a variety of tasks as part of the 2022 "ROOTS" Ambassadors team, tell us what interests you the most. On a scale from 1 to 10, with 1 being the most important, number these activities in the order of importance to you:

Helping Designers

Helping attendees have a great experience

Handling all the beautiful flowers

Getting a sneak-peek behind the scenes

Having access to the flower rooms

Helping set-up the amazing event decor

Meeting new people

Getting to know more about AIFD®

Being able to attend programs

Giving back to the Industry by volunteering

It is recommended that the 2022 "ROOTS" Ambassadors stay at our host hotel, Harrah's Las Vegas. Additionally, staying at our host hotel will give you a comfortable place to go when you are between activities or shifts. Shift times are scheduled for ambassadors to be able to attend all main stage programs, the Principles and Elements class and the Partners' Showcase. We understand the value of attending these educational events and have designed a schedule to allow for a balance of work and learning

Please note the following details for this wonderful opportunity:

Ambassador dates available for scheduled assignments-July 2 - July 8, 2022

A total of 36 hours of volunteer time over 7 days

You will be required to attend a special orientation and training session on July 2, 2022 at 4 PM
