

American Institute of Floral Designers®

Dear Floral Family,

As I write this ROOTS, AIFD® 2022 Symposium is months away. We have watched the world transform, pivot and spin as if on an altered axis. All of our lives have been touched in one way or another due to the global pandemic. While hopes are high that the world will gain control and soon we may be reduced to an endemic, this is still unknown.

The AIFD 2022 Symposium COVID 19 Protocol will be as suggested by the USA Center for Disease Control and Prevention. (Please click [here](#) for CDC updates)

We will do everything we can to keep all who attend the convention safe, the Caesars Convention Center & Harrah's Hotel have hand sanitizing stations and we are prepared to have social distance seating if the CDC guidelines suggest it and will have masks available for all who attend.

Until we are all together, stay well and look for frequent updates on this topic.
